/HANDWRITTEN NOTE Photosynthesis par class 10 ke notes banao
```

```
/ELI5 Blockchain kya hai?
```

```
/TABLE /COMPARE iPhone vs Android
```

Tips

- Ek saath do shortcodes bhi use kar sakte hain, jaise `/STEP-BY-STEP /EXAMPLES`.

- Handwritten note, poster, sketch jaise image wale shortcodes ke liye ChatGPT mein image generation available hona chahiye, warna woh sirf text mein jawab dega.
- Agar result pasand na aaye, to shortcode ke saath extra detail likhein (jaise class, language, length).
